Post 16 Department

We support many of our learners at a variety of Colleges and other education and skills placements in order for them to access the same opportunities and experiences as their non-deaf peers. Courses available can range from A-Levels, motor vehicle mechanics, construction, media studies, and small animal care and various qualification levels.

Back at base, learners continue to build their Maths and English skills, learn driving theory, take part in the Duke of Edinburgh Award and bespoke careers guidance about their next steps into further education, employment or training.
