

VACANCY

Teacher of Design
Technology
MPS + up to 2 SEN points

Royal School
for the Deaf Derby

Applications close: Monday 11th May 17.00
Interview date: Monday 18th May 8.30

We are looking for a suitably qualified teacher who has the ability to consistently deliver the very best engaging, creative and effective lessons to our wonderful young learners.

Proficiency in BSL already, or the desire and capacity to work towards Level 3 BSL as soon as practicable upon appointment is essential. Our highly specialist in-house team deliver BSL lessons to all our staff.

The successful applicant will join a highly motivated team and will benefit from a personalised CPD plan which will include sponsorship to achieve professional status as a qualified Teacher of the Deaf.

Class sizes are small with good pupil to adult ratios. All teaching and learning is supported by our own internal experts at hand including highly specialised speech and language therapists, an audiologist, Teachers of the Deaf, competent Education Assistants, dedicated support staff and experienced senior leaders.

About Our School

Royal School for Deaf Derby is a unique provider of day and residential placements for Deaf children and young people aged 3-19 years old. We are a speaking and signing community, proudly advocating this bilingual approach to learning.

We have a qualified, competent and confident staff team working together to ensure all children and young people leave with the skills and experiences to make the most of their lives.

Safeguarding at RSDD

Safeguarding is a fundamental aspect of our ethos, ensuring that the welfare of every student is paramount.

We believe that safeguarding is everyone's responsibility, embedded into daily practice across all levels of the organisation.

As part of our commitment, we are seeking a dedicated professional who will actively contribute to our safeguarding initiatives, fostering a safe and supportive environment for all learners. The successful candidate will work collaboratively with staff, students, and parents to uphold our safeguarding policies and promote a culture of vigilance and care within the school community.

The Secondary department at RSDD delivers first class teaching to a remarkable group of young people from Years 7-11, however this role offers the opportunity to extend this to younger and/or older pupils and create a well structured 3-19 curriculum.

As the sole Design Technology teacher, you will lead and develop this subject as the expert practitioner. This role would be suitable for part-time or full-time work, depending on a suitable 2nd subject.

You will work closely with similar subject areas, including Science and Food Technology, as well as with the wider staff team.

A 3-year Key Stage 3 delivers an in-house technology curriculum, leading to formal qualifications at Key Stage 4 as a successful option subject.

All pupils follow the full curriculum taught through spoken English and BSL. Lessons are well supported by skilled and experienced Deaf and hearing staff.
